SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

S I R:

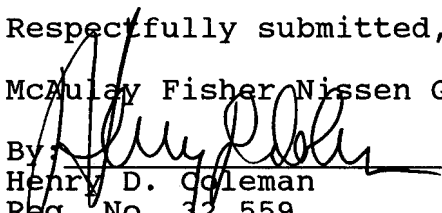

Pursuant to the Duty to Disclose under 37 C.F.R. §1.56(a), Applicants enclose herewith a copy of Form PTO-1449 listing references relevant to the background of the invention described and claimed in the above-identified application. Also enclosed are copies of the listed documents.

Applicants respectfully request that the Examiner consider the enclosed references in determining the patentability of the claimed invention. The fact that a reference is listed and enclosed herewith is not to be taken as an admission that such reference is prior art to the application. Applicant also requests that the Examiner return a copy of enclosed Form PTO-1449 with initials or other marks indicating that the references have been so considered.

Dated: November 26, 1996

Respectfully submitted,
